

Bungree has a mission to provide secure and affordable housing to the Aboriginal community on the Central Coast. It also seeks to support youth and families who reside on the Central Coast or in transit and are homeless or at risk of being homeless to family breakdown, in accessing services such as crisis, accommodation, health or advocacy.

Bungree has been providing social and affordable housing on the Central Coast since 1995 as a registered Aboriginal Community Housing Provider with NSW Aboriginal Housing Office. In February 2015 Bungree became a registered Community Housing Provider under the National Regulatory System – Community Housing as a Tier 3 provider.

Bungree is one of the largest Aboriginal providers of housing on the Central Coast (Wyong and Gosford LGA's), providing affordable accommodation and housing support to the local Aboriginal community.

Bungree owns and property manages for the NSW Aboriginal Housing Office in the Central Coast, Newcastle and Karuah areas.

Bungree is committed to working with our community housing partners and government agencies to improve the access of housing to ensure the quality of life for our people and to achieve stable accommodation.

Housing Pathways

In April 2010 Housing NSW, the Aboriginal Housing Office and 26 community housing providers across the State implemented a new housing application system known as Housing Pathways to make applying for housing assistance easier, simpler and fairer.

Applicants now fill out a single form to apply for properties managed by Housing NSW or participating community housing providers. They can choose either public or community housing but would maximise their opportunities for a housing offer if they register interest in both public and community housing.

A single statewide waiting list, the NSW Housing Register, has also been created under the Pathways initiative. It combines the waiting lists of Housing NSW and participating community housing providers and replaces the separate lists previously maintained. All new applications are logged on the NSW Housing Register.
